

Picture Day is Coming To Your School!

Bay Elementary School

We will be taking school photos on March 18th. Do not delay, please schedule your appointment today by clicking on the link below:

Please come to the school to check-in. When you arrive we ask that you wear a face mask until your appointment starts. Only the student(s) being photographed will be permitted

during the appointment. Our photographer will also be wearing a mask and we will be sanitizing between appointments. Please reschedule if you are having any COVID-type symptoms.

You have the ability to pre-order pictures online by visiting dorianstudio.com and entering the school name in the search bar. Your online order can be placed anytime before and up to four (4) days after the scheduled picture day.

After the 4-day grace period expires, a personalized access key will be generated for each student's image and will be provided to parents for ordering afterwards. A \$7 shipping and handling fee will be added to all orders made with a personalized access key and orders will ship directly to your home.
